

A FUNDRAISER FOR THE **CLEAN TRAIN COALITION**

SUNDAY, JUNE 14TH AT 7PM A SCREENING OF *TOXIC TRESPASS*

Beginning with the startling fact that Canadian babies are born with up to 287 industrial chemicals in their blood, director (and parent) Barri Cohen investigates the links between industrial chemicals, environmental degradation and childhood illness—and asks why governments are doing so shockingly little about the problem.

BARRI COHEN (DOCUMENTARY DIRECTOR), LEO PETRELLI (DOCUMENTARY SUBJECT), AND MIKE SULLIVAN, OF THE CLEAN TRAIN COALITION WILL TAKE PART IN A Q&A AFTER THE SCREENING.

\$10 SUGGESTED DONATION

THE REVUE

400 Roncesvalles Avenue
South of the Dundas West Subway
and steps from the 504, 505 and 506
